3001	Welcome to our specialist sale of Militaria. The first 60 lots of the sale
	are from a private collection of Dambusters & Guy Gibson related
	artefacts gathered over many decades. Some of you will be familiar with
	the illustrated inscribed silver photograph frame and wings that the
	vendor recently loaned for the 'Century of Valour' public exhibition at The Collection, Lincoln 25th January to 15th March 2020. Whilst these
	are being retained and are not included in the sale, there are many lots
	and opportunities for collectors to acquire many other interesting lots.
	All enquiries regarding this collection to Colin Young on 07976 977169 &
	for further entries please contact Craig Bewick on 07530 272433.

	A Bryans Aeroquipment space Gyro instrument test table, mark 4, with
	front dials and knops, centred by a further minute dial with reset option,
	58cm high, 39cm wide, 40cm deep and other accessories.
3194	Various manuals, operation instructions etc., for Mosquito B MKXVI,
	various other operating instructions, ephemera, Air Publication 1275
	instrument manuals volumes I & II, various other paperwork etc. (a
	quantity).
3195	A test set for a G M Compass MK4F & MK4B Artificial Horizon MK3,
	with crows foot mark, modifications B96T6, in fitted case, 32cm wide.
3196	A test set for a G M Compass MK4F MK4B and Artificial Horizon MK3
0100	MK3B and MK3C REF 6C/848, 41cm wide.
2407	<u> </u>
3197	A rate of climb tester, 6C/1014, with crows foot emblem, 33cm high, a
	1inch HG x 04912 = 1BS/SQ.IN instrument etc. (3).
3198	A 10S/6625-99-107-0121 signal generator set, CT378B, serial number
	3875L, in metal case, with number 1 test equipment calibration centre
	label, 37cm wide.
3199	A GTEO magnetic compass, in metal case, with crows foot emblem,
	with set course and other front knops, 23cm wide, a further compass
	and a mileometer reading 10, each in metal casing (3).
3200	A Bakelite cased 59635 barograph, 15cm high, 19cm wide, 9cm deep,
	in fitted case.
3201	A portable air speed indicator two dial barograph, on metal stand, 26cm
	wide, MK for an air speed indicator, 29cm wide.
3202	A brass cased barograph of rectangular form, with partial grill front on
3202	shaped feet, 28cm wide and a Bryans Aeroquipment 6C/104135I in
2222	fitted case (2).
3203	A leak indicator kit, C2106, with crows foot emblem numbered 581,
	16cm high and a GEC multiplier interchange Ohm meter (2).
3204	A metal cased Ohm meter, No L-165155, 12cm high, 38cm wide, 11cm
	deep.
3205	A Bridge Megger tester, series 2500 volt, with Varley test plaque to the
	top, 15cm high, 23cm wide, 21cm deep.
3206	A Negretti & Zambra 1297 442-Z 6C 4360490 boost gauge dead weight
	calibrator, in fitted case, 34cm wide.
3207	Various vintage aeroplane dials, a Negretti & Zambra pressure gauge of
	circular form, 19cm diameter, various other dials, bits, fitments, Carb dial
	with Smiths mark (a quantity).
3208	Various folders, ephemera etc., for MK19B servicing instruction, an MKV
3200	
	servicing instruction, various other servicing instructions, artificial
	horizon MK1, valves and equipment, brake relay, various others,
	Decameter etc., with various photographs, diagrams etc. and operating
	instructions for a Gyro instrument test table 10 0087, a repair and
	overhaul document etc. (a quantity).
3209	Various ephemera, documents etc., relating to WS21 fuel pump FBS
	MK1 general instrument notes etc. (a quantity).
3210	Various files and ephemera etc. relating to engine speeds, industrial
	generators and drives, directional indicators for a mark 1 plus 1A,
	various WS7 folders etc. (a quantity).
